## About Us

We - G. B. Technologies, are a well-known supplier and trader of a wide range of printers and printer consumables. Working from Indore, Madhya Pradesh, we are offering Dry Ink Roller, Handheld Printer, Hot Foil Ribbon, Industrial Inkjet Printer, and allied products. The range is distributed and sold after being sourced from leading companies based in India. Through these products, we provide a wide range of options for customers to choose from and ensure that all the orders for the goods are delivered at all locations in India.

We also offer support and assistance to customers by providing them information about printer specifications, compatibility with specific devices, & the basic troubleshooting problems. We also work as a service provider and provide certain after-sales services such as Maintenance and Installation of all the products available with us. All the solutions are assured to be customer-centric and cost-effective.
