GOLD 2

A large, colorful diorama of an underwater scene. The background is a deep blue gradient. In the foreground, there's a sandy and grassy seabed with several orange starfish. A large, detailed coral reef structure is on the right. Three dolphins are prominently featured: one on the left, one in the center-top, and one on the right. Various tropical fish, including striped and spotted species, are scattered throughout. A sea turtle is visible near the coral. The entire scene is set within a white frame, with the number '27' visible in the top right corner.
