About Us

Regarded for fair business practices and for offering a quality-assured product range, we, Vijay Pouch Packaing Machines are setting benchmarks in the industry. We are a sole proprietorship headed by Mr. Vipin Rana. He is a talented professional with extensive industry experience. Following in his footsteps, we bring forth a range of industrial machines that have a modern design and are powered by the latest technology. Our product portfolio encompasses Automatic Flow Wrapping Machines, Spice Powder Packing Machines, Auger Filler Machines, Ice Cream Packaging Machines, and others.

Each of our products is worth the money spent on them. Therefore, we are reputed as one of the most reliable manufacturers and suppliers of the aforementioned products on the market. We are trusted by a huge clientele. To strengthen their trust in us, we work harder than our capacities and prove our business excellence with every deal we crack. With our commitment to continuous growth, we promise to deliver excellent results in the future as well.
