## About Us

We, Excel Engineering System, are a renowned stockist, manufacturer and supplier of a wide impressive line that includes SS Male Connector, SS Ferrule Pipe Fittings, Cross Fittings, Gauge Valves, Pipe Clamps and much more. We are growing by banking on the factors of customer-focused view, technologically advanced production approach and strict quality control system. Our presence appears a threat to companies, which are dealing in similar product category because we perform remarkably well as a reliable producer of quality goods. Offerings are well-designed under our production facility's roof with the usage of modern machines and tools. Team of expert technocrats upgrade installed machines in order to avoid errors during manufacturing process. Each and every product is true representation of our production members' intelligence because they put across their expert understanding of customers innovative requirements in manufacturing.

All norms pertaining quality are followed at our company. We do this in order to serve products, which are high on quality and serve for a longer run. Product line is confirmed to have zero defects. This confirmation has come by with the application of stringent quality checking process. Implementation of this stringent process in business helps in serving value against money.

**Key Facts**

<b>Primary Competitive Advantages</b>	reducing unions,Reducing Union,AIRHEADER,QRC,camlock couplings,MANIFOLD VALVES,SS NEEDLE VALVES,double ferrule fittings
<b>No of Staff</b>	18
<b>Year of Establishment</b>	2017
<b>No of Production Lines</b>	3
<b>OEM Service Provided</b>	No
<b>Monthly Production Capacity</b>	Pcs, 150000-200000
<b>ProductRange</b>	reducing unions,Reducing Union,AIRHEADER,QRC,camlock couplings,MANIFOLD VALVES,SS NEEDLE VALVES,double ferrule fittings

## Our Products

**Ss Hydraulic Hoses**

**Flexible Metal Hoses**

**Female To Female Ball Valves**

**Ball Valve**

**SS Ferrule Type Fitting**

**Stainless Steel Ferrule Fitting**

**SS Ferrule Pipe Fittings**

**SS Ferrule Fittings**

**Flanged Ball Valve**

**Stainless Steel Ball Valves**

**Hydraulic QRC Coupling**

**Ss Ferrule Fittings**

**Stainless Steel Double Ferrule Fittings**

**5 Way Manifold Valve**

**2 Valve Manifold Valves**

**Brass Male Connector**
