About Us

Om Inorganic Products is a professional chemical processing company in India. We are specialized as a manufacturer and exporter of Calcium Chloride, Ammonium Chloride and other Industrial Chemicals, since 20 years. The products we offer are widely used in industries like chemical, animal feed additive, food additive, agrochemical, fertilizer, pharmaceutical, water treatment and minerals, oil & gas, aquaculture & ceramic. Our management team has about more than 20 years of combined expertise in meeting the needs of clients. We are proud to say that our quality chemicals and services are approved by the clients across the worldwide.

Om Inorganic Products, founded in Khambhat (Gujarat, India), is a putative name in the industry dedicated to serving the customers with a vast array of chemicals. We are much concerned about the safety aspects of users of these chemicals. So, these items are offered in tight packages with detailed labeling. By providing a range of chemicals as per the customer's needs, our company is able to achieve maximum customer satisfaction. Further, the offered products comply to the international quality norms and have accurate composition. Our well equipped manufacturing unit is equipped with all the required tools and devices that ensures proper and perfect production of these chemicals. By catering to a wide market demand, we are able to etch a mark for ourselves in the competitive market.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	calcium chloride prill,calcium chloride fused lumps,calcium chloride anhydrous powder,calcium chloride,
No of Staff	20
Year of Establishment	2002
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	500 Mt
ProductRange	calcium chloride prill,calcium chloride fused lumps,calcium chloride anhydrous powder,calcium chloride,

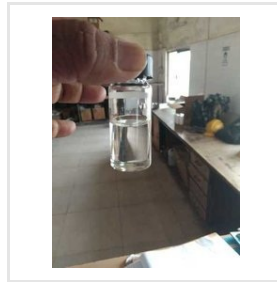

Our Products

Calcium Chloride Lumps / Fuse

Calcium Chloride Anhydrous Powder

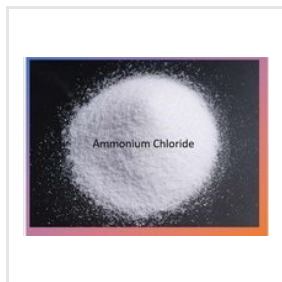

Calcium Chloride Solution

CaCl₂ FUSE

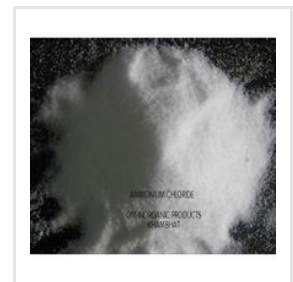

Ammonium Chloride Powder

Ammonium Chloride

Ammonium Chloride Powder

Pure Ammonium Chloride
