## About Us

Mithra Products is a major trader and supplier of high-end Solar Water Heaters, Solar Power System, Heat Pump Water Heaters, Water Softener, etc. At Mithra Products, we believe that access to clean drinking water is not a luxury it is a basic human right. Since our inception in 2017, we have been dedicated to transforming lives by delivering innovative, reliable, and eco-conscious water and energy solutions. Our comprehensive product range includes solar water heaters, heat pumps, advanced water purifiers, and softeners all designed with the future in mind.

Founded by Mr Sampath Reddy A, Mithra Products was born out of a genuine concern for communities lacking clean water and sustainable energy options. What began as a visionary effort has now evolved into a trusted and fast-growing brand known for its quality, innovation, and environmental commitment. Operating across two states in India, we have built a strong reputation for excellence and a loyal customer base that values both our products and our mission.
