About Us

Kaykay Cyano Chemicals Pvt. Ltd., established in 2012 and based in Vapi INA, Gujarat, India, is a distinguished manufacturer, supplier, and exporter of premium chemical solutions. With a strong foundation built on quality, innovation, and customer trust, we specialize in offering PVA Emulsion and Turkey Red Oil, products that cater to diverse industrial applications such as textiles, adhesives, paints, paper, and more.

Since our inception, we have been committed to setting industry benchmarks through advanced manufacturing practices and adherence to global standards. Our Turkey Red Oil is valued for its excellent emulsifying properties, making it widely used in textile processing, while our PVA Emulsion is recognized for strong bonding, superior adhesion, and consistency across multiple applications.

We maintain a well equipped production unit, stringent quality testing procedures, and a skilled workforce that ensures every product leaving our facility meets the highest standards of performance and reliability. By focusing on innovation and sustainable practices, we are able to deliver products that not only meet the current needs of industries but also anticipate future requirements. Serving clients across domestic and international markets, our reputation is anchored in timely delivery, ethical business values, and customer focused solutions. As a growing player in the chemical industry, we continue to expand its horizons, dedicated to providing reliable, efficient, and value driven solutions that empower businesses with excellence.
