

PACKAGED SEWAGE TREATMENT PLANT

CUSTOMER FAITH WELL-KEPT FOR LIFETIME.

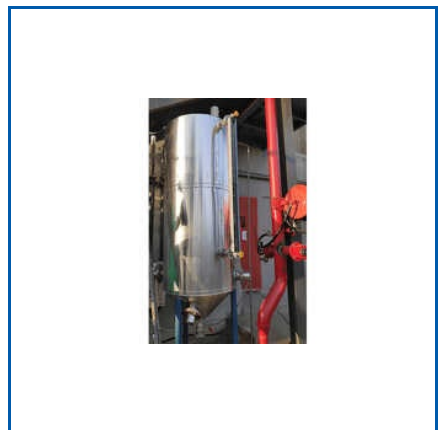

40 KLD Packaged Sewage Treatment Plant, Activated Carbon (Granular and Powder), Air Quality Testing Services, Building Information Modelling (BIM) And 3D Modelling, Designing Services For Pipe Network, Detailed Design And Engineering of STP WTP ETP, Effluent Treatment Plant, Fine Bubble Diffusers- EPDM-PU-Silicone, Packaged Sewage Treatment Plant, Pan Type Electric Evaporator, Pan Type Steam Evaporator, etc.

**40 KLD PACKAGED SEWAGE
TREATMENT PLANT**

**PACKAGED SEWAGE TREATMENT
PLANT**

PAN TYPE ELECTRIC EVAPORATOR

About Us

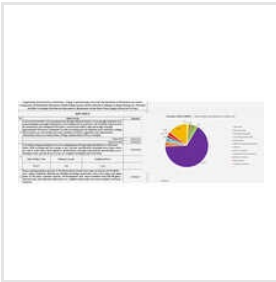

SWA Environmental Consultants & Engineers is a pure-play environmental engineering company specializing in turnkey projects, water and wastewater treatment design, and environmental monitoring. A team of highly skilled technocrats, advisors, and engineers founded our organization to develop ZERO LIQUID DISCHARGE INDUSTRIES and ZERO WASTE CITIES. Our company specializes in environmental modelling and forensics, wastewater treatment, solid waste management, and environmental forensics. SWA is headquartered in Ahmedabad, where we also have offices for our lab, manufacturing, and consultancy services.

Mr. Harshit Jani has over 15 years of experience working on domestic and international water and environmental projects. He has worked on very large projects, including conceptual planning, detailed designing, report and construction drawing preparation, bill of quantities estimation, contract management and tender document preparation for various infrastructure projects, including stormwater management, water supply, irrigation, and sewer network construction. Around 15 significant projects worth more than \$100 million have been done by him, along with other smaller tasks for surveying, researching, and creating DPR. He has also worked as a project management consultant on numerous sanitation and water supply projects and port development overall.

Key Facts

No of Staff	16
Year of Establishment	2016
OEM Service Provided	No

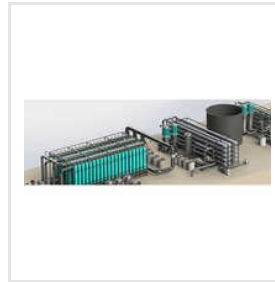

Our Products

**Pre-Bid Estimation
Services**

**Building Information
Modelling (BIM) And 3D**

**Detailed Design And
Engineering Of STP WTP**

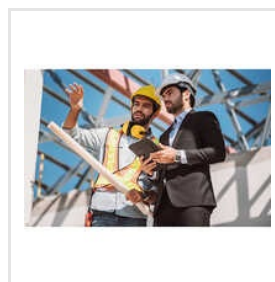

**Poly Aluminium
Chloride**

Pressure Vessel

**Designing Services For
Pipe Network**

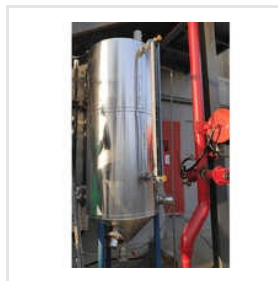

**Project Management
Consultancy Services**

**Fine Bubble Diffusers-
EPDM-PU-Silicone**

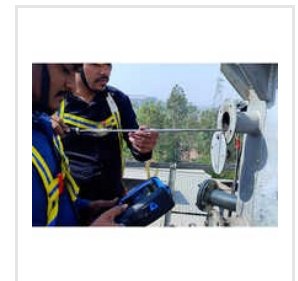

**Activated Carbon
(Granular And Powder)**

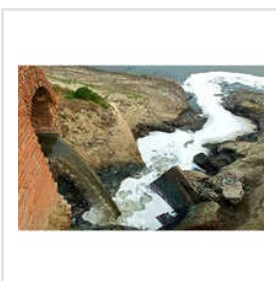

**Pan Type Electric
Evaporator**

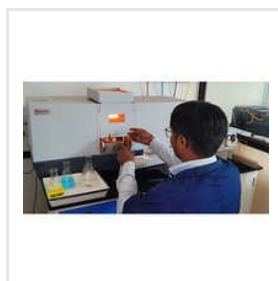

**Pan Type Steam
Evaporator**

**Air Quality Testing
Services**

Water Quality Testing

**Soil-Sludge Quality
Testing**

**Packaged Sewage
Treatment Plant**

**Effluent Treatment
Plant**
