## Environmental Testing

- Water & Waste Water
- Ambient & Indoor Air Quality
- Stack & Process Emission (Boiler Efficiency)
- Lux Monitoring
- Noise Monitoring
- Soil, Solid Waste & Sludge Analysis

FAST, ACCURATE & INSIGHTFUL  
RESULTS

**What's New??**

STEL & LTEL for VOCs, TACs and BTX compounds in budget friendly packages

## Utilities & Sectors Serviced

### Water & Wastewater

- Effluent & Sewage treatment plant performance assessment
- Pesticide and trace heavy metal assessment in water & wastewater
- Cooling Tower
- Legal compliance for EHS department
- Packaged Drinking Water Plants
- Municipal Drinking Water Plants
- Construction & irrigation water
- Toxicology analysis (Bioassy)
- Ultra Filtration and Reverse Osmosis System OEMs
- Boiler Feed Water

**What's New??**

Get your ETP/STP Health report today!!

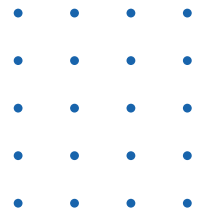

### Ambient & Indoor Air Quality

- Legal compliance for EHS department and post impact assessment
- VOC, TAC, BTX with Short Term Exposure Limit, Long Term Exposure Limit
- Indoor air quality for work place safety
- Online Weather Monitoring

### Stack & Process Emission Monitoring

- Boiler combustion efficiency
- Efficiency of air pollution control measures
- Boiler \* furnace emissions
- Diesel Generator emission and efficiency
- Vehicular CO, O2 & CO2 emissions

### Illumination Survey Noise Monitoring

**What's New??**

Pesticides and Heavy Metals assessment in water, soil and solid waste samples

### Soil, Sludge & Hazardous Waste

- Legal compliance for EHS department
- Environmental Impact Assessment for legal clearances
- Soil health analysis
- Pesticides and trace heavy metals assessment in soil, solid water and sludge samples

### Special Services

- Certified Standard Solution for analyser calibration and reference solution
- Prepared reagents for analysis
- Turnkey onsite laboratory services
- Personnel training for environmental analysis
- Health report for ETPs & STPs
- Treatability studies for effluent treatment
- Internal environmental audit
- Consultancy for ISO 17025 accreditation
