## About Us

Sai Nam Packing System, with over 23 years of market experience, has secured its place among the top companies that provide highly reliable packaging machines. We are a manufacturer, supplier, trader, importer, and exporter, that present a variety of machines that are used to do packing in a faster and better way. We offer hi-tech Food Thali Sealing Machines, Pouch Sealing Machines, Impulse Heat Sealer, Strapping Machine, Fully Automatic Heat Shrink Tunnel Machine, and many other products. These are developed incorporating the latest technology features, and hence they become a valuable investment, wherever they are installed. Customers seeking modern packaging machines frequently contact us to buy these in many models and sizes. We supply the machines to them after proper quality assurance, under the brand name, Marvel Portable Seal.

We, Sai Nam Packing System, are from Delhi, India, but famous across the world for manufacturing, trading, importing, and exporting efficient packaging machines such as the Strapping Machines, Heat Conveyor Shrink Tunnel Machine, Foot Operated Impulse Sealer, Portion Meal Tray Sealing Machine, etc.
