

Avail The Finest Array Of Control Panel Boards, Electrical Goods, Equipment & Supplies, Industrial Automation

16do Module Siemens S7-200 Smart, 2nd Generation Siemens Simatic Basic Panel, 8do Module Siemens S7-200 Smart, Ac drives, Auto Transformer Control Panel, Automatic Power Factor Control Panel, Control Panel With Multi Drive System, G120 PM240-2 18.5KW 25.0HP Drive Siemens, etc.

PLC BASED CONTROL PANEL

**AUTOMATIC POWER FACTOR
CONTROL PANEL**

**CONTROL PANEL WITH MULTI
DRIVE SYSTEM**

About Us

We, Naksh Technology, started our venture with the mission of serving buyers with a worthy range of products. Our company is active as a manufacturer and exporter of items like Siemens Simatic Mobile Panel, Sinamics V20 AC Drive, Simatic S7 1200 PLC & Modules, Auto Transformer Control Panel, etc. Apart from dealing in Siemens brand, we are associated with Pepperl and Fuchs and are supplying their Pepperl + Fuchs Proximity Sensor, Pepperl + Fuchs Identification Systems and many other products to customers.

The assortments manufacturer in our unit are produced using state-of-the-art IGBT technology that leads to flawlessness and premium quality. Due to excellent performance, durability, easy installation and impressive features, our range is widely appreciated by customers. We feel proud to see our wide and satisfied client base and are constantly working hard to keep them happy. The credit of our success goes to our team of professionals and business associates who walk step by step with us. Our team goes through all the suggestions received and share the same with management so that necessary steps can be taken. In addition, the policies that we practice to run the venture are ethical and has a major role to play in the prosperity of our venture.
