About Us

Established in 2009 and based in Surat, Gujarat, India, Sanjivani Imports is a Manufacturer, Supplier and Trader of innovative wellness, beauty and healthcare equipment. Our company has developed a diverse product portfolio designed to address the evolving requirements of aesthetic professionals, salons, clinics, wellness centres, physiotherapy facilities, retailers and individual users. Our range includes Cryolipolysis Fat Freezing Machine, Hydrafacial Machine, Gun Massager, Alkaline Water Bottle, Slimming Machine, Hair Removal Diode Laser Machine, and several other modern wellness and aesthetic solutions. We focus on bringing practical products that combine contemporary technology, convenient operation and dependable performance.

Product quality and customer satisfaction remain central to our approach. We aim to understand varied customer requirements and provide suitable solutions for professional and personal applications. Our product selection reflects changing market preferences, while our service approach is built around responsive communication, dependable supply and long-term business relationships.
