About Us

We, Vridhi Footwears, owe the unprecedented popularity of our footwear brand VRB to our focus on product comfort and quality. We move business forward in the highly competitive slipper and sandal manufacturing industry by offering an unmatched line of Kids Sandal, Kids Slipper and Ladies Slipper. We can manufacture various sizes of these aforesaid products on-demand in less time.

As a manufacturer, we are equipped with the best production plant and machinery, which help us expeditiously produce footwear in a range of sizes, colours and materials, therefore shortening the time to market of our collection. We have multiple assembly lines for hassle free footwear manufacture and a team of 150 people to supervise and fine tune various works. Various computer-aided design software is also used so that designs we create perfectly replicate the designs that we have in mind. We are also known to accomplish customized and bulk manufacturing works at low unit costs and meet needs of individual buyers, footwear wholesaler, footwear retailers, and many others.
