Application Based Kiosks

Visitor Management Kiosk

Automates visitor check-in/check-out with ID capture, badge printing, and real-time monitoring. Enhances security and reduces manual entry processes.

Safety Training Kiosk

Delivers interactive safety modules, compliance training, and assessments. Ideal for industrial environments to ensure workforce readiness and regulatory adherence.

Content Information Kiosk

Acts as a self-service digital interface for accessing information, announcements, directories, and multimedia content in public or corporate spaces.

Museum Kiosk

Provides immersive digital experiences with interactive exhibits, multimedia content, and guided navigation to enhance visitor engagement.

Touch Table Kiosk

An interactive multi-touch table with a horizontal display designed for collaborative engagement and immersive digital interaction. Ideal for exhibitions, retail, and corporate environments for presentations, browsing, and shared user experiences.

Digital Signage Standee
