About Us

Northern India Timber Supply Co., established in 1958, is a trusted name in the field of building and interior material solutions. Based in New Delhi, Delhi, India, the company has earned a strong reputation as a reliable trader, wholesaler, and retailer. With decades of expertise and a customer focused approach, we provide a wide range of products that meet the diverse needs of architects, contractors, dealers, and end users.

Our product portfolio includes Cork Sheet, Sunmica Laminate Sheet, Decorative Wall Panel, PVC Laminates, Fabric Sheets and many more options that combine quality, durability, and aesthetics. We ensure that each offering is sourced from dependable manufacturers, with stringent quality checks and assurance, so that customers receive products that perform consistently and add value to their projects.

Over the years, we have built long term relationships with clients across New Delhi and beyond by focusing on timely delivery, transparent business practices, and competitive pricing. From residential to commercial projects, we deliver solutions that enhance interiors and offer lasting performance.
