## About Us

Survi Ramming Mass Private Limited was formed by Mr. Subhash Kumar, who has over 32 years of experience in the domain. The company was formed to meet market demands for Silica Ramming Mass, Quartz Ramming Mass, Quartz Powder, Quartz Silica Sand, and many other products. We are recognized as a manufacturer and supplier with excellence in the markets for ramming mass and silica sand. These are extensively demanded in local and global markets due to their supreme quality. We have developed a strong supply network, which helps us provide timely deliveries of orders to customers. With our fair trade practices, we reflect excellence and trust in the domain.

We work with deep plans so that our products get developed as per the norms prescribed by the concerned authorities. Our quality control team maintains an eye on each stage so that we deliver the finest range to customers in the market. We function under the leadership of our highly knowledgeable and creative leader, Mr. Arun Malpani. He shares his rich skills, immense knowledge, and vast industry experience with the team, which gives us a prestigious position in the market.

**Key Facts**

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	foundry silica sand,quartz silica sand,white silica sand,silica sand,quartz stone,basic ramming mass,premix ramming mass,quartz ramming mass,acidic ramming mass,silica ramming mass
<b>No of Staff</b>	60
<b>Year of Establishment</b>	2020
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	foundry silica sand,quartz silica sand,white silica sand,silica sand,quartz stone,basic ramming mass,premix ramming mass,quartz ramming mass,acidic ramming mass,silica ramming mass

**Our Products**

**Nalitop Ramming Mass**

**Boron Mix Ramming Mass**

**Silica Ramming Mass**

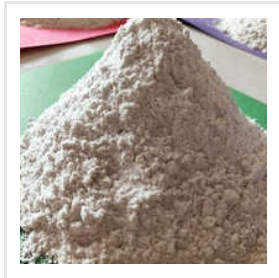

**Quartzite Ramming Mass**

**Quartz Grains**

**Quartz Stones**

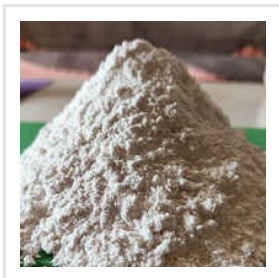

**Quartz Powder**

**Non Premix Ramming Mass**

**Laddle Ramming Mass**

**Acidic Ramming Mass**

**Quartz Silica Sand**

**Quartz Ramming Mass**

**Premix Ramming Mass**

**Silica Sand**
