About Us

The history of our company, Sundaram Multi Pap Limited dates back to the year 1985. Over these three plus decades, our company has seen a lot and continuously grown through all the struggles. Today, we stand as one of the most trusted manufacturers and wholesalers of notebooks products. Our specialization being in the notebook offering arena, we always deliver the best of products to our customers. This is the the reason that we are well-appreciated by one and all. Be it for the students or people of the corporate world, our Long Notebook, Scribbling Pad, A4 Printed College Notebook and Writing Notebook are loved by all. Our brand, Sundaram is well-known for quality, trust and reliability.

With the changing times, a lot has changed. Today, people only look for brands and prefer buying branded products. For this reason, we, Sundaram Multi Pap Limited from Mumbai, Maharashtra, launched our brand Sundaram. Under this, we supply our products such as A4 College Notebook, College Writing Notebook, Student Long Notebook, etc. In the future, we will be expanding our product line. We have a team of 175 employees backed by which we always fulfill the demands of our customers on time. To manage these many people, we have different union heads and plant heads. Besides, we have widespread supply chain network of 15,000 distributors and dealers.
