# About Us

**Kum Kum Enterprises**, a Sole Proprietorship firm established in 1992, is considered a **manufacturer** and **supplier** of a wide range of **Metal Products and Fittings**. **Brass Door Handles, Knob Door Brass Latches, Brass Levers, Round Center Door Knob**, and many other items are available under our portfolio. Our customers value these items for their tensile strength, rust resistance, and low maintenance. Our organization has been able to carve an outstanding place in the national market as a result of these product characteristics. We have been able to achieve a solid position in the market, thanks to our mentor Mr. Lalit Pundhir and his wise leadership. He believes that by adhering to honest company standards, we can maintain long-term relationships with many clients from across industry sectors.

We think that customers are the real arbiters of products, therefore we use a client-centric strategy in order to earn their trust and meet their expectations. Our company has been able to satisfy the ever-increasing demands of many valued clients, thanks to our cutting-edge technology, quality procedures, and skilled team. We also make certain that our products are delivered within the specified time frame.

## Our Team

We have a staff of highly skilled and knowledgeable individuals. These experts aid us in developing an amazing selection of products to meet our customers standards. Our members include quality experts, warehousing staff, production engineers, skilled workers, marketing & sales professionals, craftsmen, and administrative staff. They collaborate to ensure that the business operations of the company are carried out in accordance with the best quality norms and standards. Their unwavering passion and dedication to their profession have helped us win the hearts of many customers from all around the world.

## Quality Assurance

Before we put our products on the market, they are thoroughly tested on a variety of aspects. Our quality analyzers do rigorous quality tests at each and every stage in order to provide our valued customers with a perfect assortment of products. We manufacture our products in accordance with international quality standards, which allows us to maintain faith and trust of clients. We have experts to evaluate the quality of our items based on a variety of factors, such as design, finish, and durability.
