About Us

S. Kumar Engineering Works (An ISO 9001:2015, ISO 13485:2016 and CE certified Company) Established in the year of 1988. We are One of the Leading manufacturers and supplier of Medical Gas Pipe Line (MGPS) Accessories and Equipment. We have nearly 36 Years of experience in the same filed.

Since the establishment of our company, S. Kumar Engineering Works back in the year 1988, we have been partaking in the production of a variety of medical equipment. Through manufacturing equipment that are most appropriate for conducting operations and treating patients, we have established ourselves as a reputable manufacturer, trader and exporter. The selection of medical equipment that we make available includes Medical Electric Alarm, DIN Standard Gas Outlet, Oxygen Flow Meter, OT Panel Gas Outlet, Medical ICU Bed Head Panel System, Pneumatic Brake Arm Pendant, etc. At our manufacturing plant, we have fitted high end machinery to meet international quality requirements. Precise measurements, high efficiency, smooth running, ease of operation, reliability and easy maintenance are some of the attributes that make our products popular worldwide.
