About Us

In today's smart world, computers and networking products have gained paramount importance thus, become a crucial part of life. One don't even realizes how they benefit us everyday by making our communication and work activities easier. To offer such essential part of our modern society, we, Impressive Computers have stepped forward in the market. We bring forth a variety of top quality IP Phones, Wireless Routers, Networking Switches, Video Conferencing Equipment, Networking Firewalls, Networking Servers and many more. Under the roof of our business, we offer the efficient aforesaid systems to our clients in exchange of affordable rate. The offerings are of HP, Cisco, Avaya, IBM, Juniper, D-Link, Dell and may other reputed brands of the IT industry, that are procured from our trusted vendors.

We, Impressive Computers, are a client centric group that works for the benefits of our patron family. We treat them the best way possible and deliver them with top class Networking Products. Our entire collection of products includes highly efficient Video Conferencing Systems, IP Phones, Wireless Routers, Networking Switches, Network Security Firewall, Networking Servers, and many more. These along with an exceptional customer support provides our clients all across the country with absolute gratification. Further our Mumbai, Maharashtra (India) based business also tries to satisfy our clients by trading with them in an ethical way continuously. Our brands are renowned for delivering highly durable, reliable and high performance solutions in the market and so are we. Owing to such features and hassle free operation of our offerings, we have emerged as a trusted distributor and trader of the sector. Every single day, we are improving this image with support of the diligent work of our team members and expertise of our mentor Mr. Shahnawaz Kazi. They together help us in meeting our clients' expectations without any failure.
