About Us

Well-recognized for delivering 100% customer satisfaction and bringing forth a cost-worthy range of silicon products, we, PM Siltech, are one of the most noteworthy manufacturers, suppliers, and traders in the industry. We specialize in a broad variety of quality-assured silicon products used across various industries. Our product range includes Food Grade Silicone Rubber Sheets, Silicon Fiberglass Sleeves, Silicon Rubber Profiles, Food Grade Silicone Rubber Gaskets, and others. Each product reflects true workmanship and the finest quality. Available at unbelievable costs and with various specifications, all our products prove to be desirable and a prime choice among a wide customer base.

Since the day we stepped into the business, we have been creating ripples in the market. We do not just stop at offering our esteemed customers a uniquely developed product range; we also strive to render a satisfactory experience. From flawless onboarding to prompt after-sales services, at each stage of the customer journey, we make sure to provide a complete return on their investment.
