Feltron
The Pride of Every Home

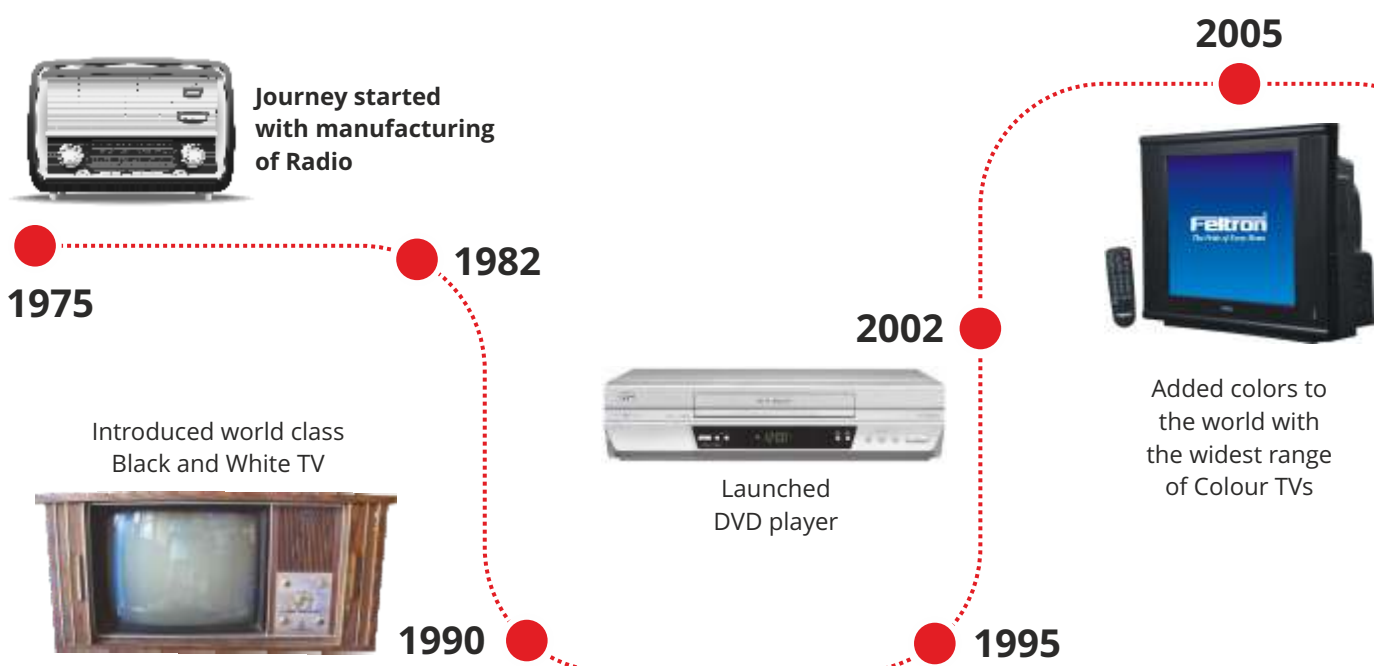

From the Era of *Black & White*

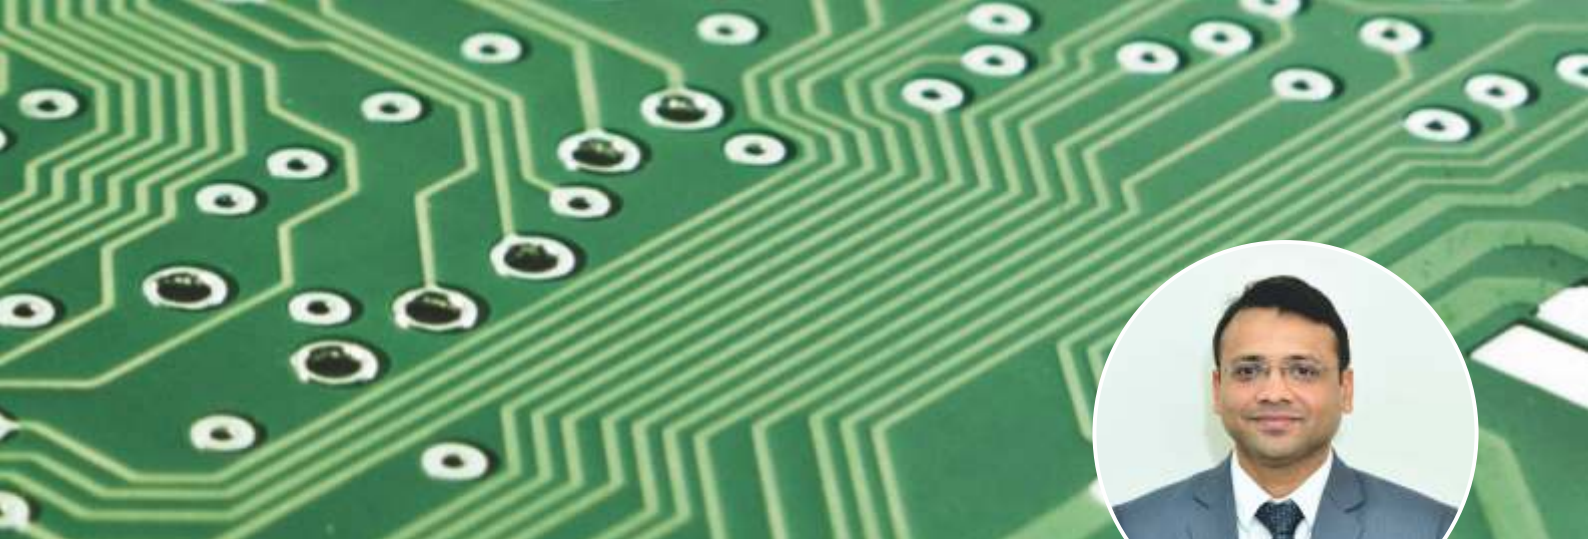

Feltron one of the finest and oldest names in Black & White Televisions and Color Televisions and the Pride of thousands of homes all over the country for almost **43+ years** is proud to announce that they have entered the world of LED Television with a new concept and style for a new India with the same old legacy of Feltron Brand.

Our journey started way back in the year 1975 and we have transform ourselves from Radio to color era and now finally to LED TV technology. Our MD Mr. Dhanraj Goel started his entrepreneurial journey with strong technical background in electronics which resulted in trouble free quality of our products for our customers.

Continuing the Feltron legacy the second generation Mr. Abhinav Dhanraj Goel with his strong managerial & marketing skills it taking the company to new heights.

With the aim of providing **Quality & Quantity On Time & Every Time** Feltron is adopting itself with continuous change in technology keeping in mind the end consumer needs and wants.
