INTRODUCTION

Dear Sir/ Madam,

We would like to take this opportunity to briefly introduce our company **Tripcon Engineering Pvt. Ltd. "Engineering Excellence"** so that you can consider adding our company to your list of approved Vendors.

Tripcon Engineering Pvt. Ltd is the ISO 9001: 2008 approved organization producing and exporting Wide variety of Conveyor Chains and Sprockets from past **three decades** for different application across various industries. Our Products includes **Paver Chains, Drive Chains, Welded Steel Chain, Deep Link Chain, Reclaimer Chain, Heavy Duty Elevator Chains, Special purpose conveyor chains, Flight chains, Hollow Pin Chains, Bagasse carrier chains, Bushed Roller Chains and bushed chains. (Available in different custom made specifications and sizes) and Sprockets suitable for all of the above chains.** These wide variety of Chains and Sprockets are applied into various industries like **Sugar Industry, Cement Plants, Steel Plants, Chemical Plants, Automobile Industry, Timber Industry, Fertilizer Plants, and Road Construction Equipments.**

Tripcon is a Synonym of **Core Engineering, Fine Technicality, Modern Mechanism, Collaborative growth.** Wide experience of more in three decades in this Industry has taught Tripcon how important – that vital link of timely supply is – therefore, the operational philosophy involves forming a close partnership with the clients in order to understand their requirements, so as to deliver: **"What they want" " How they want" " and most importantly " When they want".**

Please feel free to keep in touch with us about any of your business related requirements/queries. We look forward to a wonderful relationship together and success for all concerned.

Thanking you.

Mr. Hemal Patel
Director.
