Double Seals for extra security

CUISINECRAFT®

CUISINE CRAFT CV300 is a Chamber Vacuum Sealer with Smart system and economy price point. Manufactured with high standard, Certified from CE, ROHS and GS intertek.

The machine is equipped with Smart Sensor to detect the vacuum pressure automatically. No more guessing how much vacuum time for your products.

Cuisine Craft CV300 also comes with Piston sealing bar which are easy to remove and replace. Also no wires inside the chamber provide maximum safety.

The major downside when using vacuum sealer is to change vacuum oil every few months, here we designed it with newest technology, there is no
