# Company Profile

## INTRODUCTION

LDG International was established in the year 1984 as a partnership enterprise under the able guidance of Shree M.P. Gandhi. Mr. Gandhi was a veteran of the perfumery and flavor industry. During his service tenure, he has served many a big national and international fragrance houses of India. His 45 years of expertise and visionary thinking is the main driving force behind LDG International. During his service tenure in 1979 under his able leadership, his company was awarded the best exporter in the perfumery area by the “Basic Chemicals and Pharmaceuticals Export Promotion Council”, setup by the Government of India. In the year 2000, he was awarded and recognized as a self made industrialist by Institute for Trade and Industrial Development. Since the past two decades, LDG International has appeased the sensory needs of a variety of customers. These include many big names in Indian and overseas market.

## PRESENT

Our company caters to fragrance requirements of the cosmetic, aerosol and body deo-sprays, pan masala and tobacco, mouth fresheners, soap and detergents, incense sticks and perfumed candle manufacturers.

Our other specialty range includes reconstituted essential oils for aroma therapy and flavours. Our company boasts of in-house R&D facility. Raw material quality is thoroughly checked and also quality of our products ensured throughout our production line. We at LDG International believe in “Consistency of Quality”.

Our products confirm to IFRA standards and are thoroughly checked in applications laboratory for safety and

toxicity. Our staff of twenty years is technically skilled enough in handling of raw materials. We believe that happy employees produce excellent work. Our competitive advantage lies in our Human Capital, a blend of youth and experience, going that extra mile to bring delight to its customers.

## VISION

LDG International’s core objective is building its consumer base. We seek and listen to customer’s feedback. What creates value for our customers, is what we work on, seeking to provide total solutions to delight our customers. Our on-time delivery and focused customer service has resulted in a loyal and prestigious clientele, who have been associated with us on a long term basis, because we believe in keeping our customers satisfied.
