Company Profile

MARUTI Auto Equipment India Private Limited.

(A Wholly owned subsidiary of Maruti Engineerrss)

Maruti Auto Equipment India Private Limited is a leading manufacturer and distributor of Automotive Service Equipment in India. We have been working closely with all Authorized OEM Workshops and Private Garages Since 2005.

This has helped us understand the requirements & needs of vehicle service equipments and has made us to be the preferred supplier of our customers.

Our Widespread of Service Networks Stretches across India and some foreign countries. It Enables us to provide service & support to our customers at every stage of product's Life cycle.

Our Vision & Mission

- Lesser & Lesser Price, Better & Better Quality
- Maruti tend to achieve highest customer satisfaction with our product quality and better After Sales & Service.
- A Committed team of professional Service Engineers team with adequate spares stock assure you to provide best after sales & Service support.
- Service: best-in-class support with fast local service.
- Pricing: best value for money.
- Availability: fast and easy delivery through a dedicated production and distribution network.
