● Company Introduction

**We have succeeded today with 20 years of aged know-how.**

Alpha Optron is a leader in the self-care beauty tools market.

Founded in 2012, Alpha Optron pioneered a new market by launching a 2017 **[Foot exfoliator]** on the market, starting with a glass-based self-care beauty tool **[Nail Shiner]**.

Magic Nail Nail Shiner, Magic Pedi Foot Exfoliator is studied in Alpha Optron Co., Ltd. and manufactured in Korea using patented technology.

We are constantly striving to produce small orders in accordance with customer's needs and to produce prompt progress and excellent quality.

Patent No. 10-1900941 (Nail shiner), 10-1914210 (Foot exfoliator)
