● Company Introduction

We are happy to introduce our company to those who want healthy and beautiful skin. We, CNC COSMETIC, as a cosmetic company specializing in skin care in Korean, focused on exports before K-BEAUTY attracted the attention of the world and made its name known abroad first.

Care & Cure is our company name and our goal for healthy and beautiful skin.

Our products have been characterized by skin experts in the competitive and demanding aesthetic market over the years.

It is proven to be a mild and nourishing product without irritation.

With a branch office in Istanbul , Turkey, we supply our products to more than 500 skin massage shops.

Search Google for tiaragold kozmetik to see articles about our products.

● Specification

제품 설명(특징 및 규격)

Powder mask, one of the main product of cnc cosmetic , is one of the most popular product in Turkey. There are 5 types of powder masks that are mixed with water and applied to the face. (Vitamin , Collagen , Chlorella , Peppermint , Charcoal).

The gel modeling mask is also a famous product in cnc cosmetic. There are a total of three gel modeling masks.

Gold (Anti-aging) : Witch hazel Extract contains a lot of tannins to help maintain healthy skin.

Wine (Acne care) : It contains tea tree extract to moisturize the skin, helps to soothe tired skin with external irritation , and contains arithmetic extracts.

Charcoal (Pore care) : It contains a propolis extract rich in amino acids and minerals to protect the skin by forming a water protection barrier, and charcoal powder helps keep the pores clean and healthy.

A hydrogel-type mask that provides non-sticky, refreshing and moist feeling, extract , helping to create a firmer skin. Especially, the active ingredient of snail mucus filtrate provides abundant nutrition to help you grow into glossy skin and healthy skin.
