

To the Beautiful You

Founded in 1995, HASCOS Inc. has served many famous celebrity makeup artists.

We are proud of our uncompromising principles of using only the best quality materials and striving for accurate colors to deliver delicate colorful makeup.

Over the past 17 years, we have been manufacturing the finest makeup products and accessories that satisfies the makeup artists needs and expectations based on our own knowhow and sincere collaboration with them. Recently, as the quality of our products has been recognized by many SNS users, not just celebrities but also the general customers are influenced by our products.

The Courcelles line is made with a mixture of natural and high-tech materials. By increasing the natural properties, we aim to develop items that have calming, soothing and relaxing effect, in addition to nutritional to skin.

HASCOS learns from the nature and persistently seeks eco-friendly materials for skin. We are dedicated to making the most essential and safe artists items and pursuing our vision to be always an honest and reliable partner to our customers.

BICHE BALM / B.B CREAM

Transparent and glowing skin all day long Try Biche Balm's fresh and transparent skin expression, as if a makeup artist does it for you.

Beta glucan property in Biche Balm helps skin regeneration, and arginine, a natural amino acid, stimulates collagen activity and controls PH level in your skin. They help creating healthy and vibrant skin all day long while keeping the perfect balance between oil and water ratio in the skin. Your skin will feel comfortable and smooth even after application of makeup,

Excellent skin correction on the first base. Applicable for various skin type and good for mixing with other foundation.

Color (30ML, 50ML)

- #01 Light beige/ light-medium color skin tone (for #22 and #22)
- #03 Dark beige/ dark (women)-medium (men) skin tone.

LIQUID FOUNDATION

Fluid texture makes you feel fresh and gives you smooth coverage.

The natural transparent touch emphasizes your own beauty, as it looks like your own skin.

An ideal choice for the makeup artists when they mix foundations of different textures and colors.

It gives a perfect balance of

moisture and oil, letting the natural skin breathe while keeping it moisturized all day long.

Water, sweat and oil-resistant.

Color (30ML, 50ML)

- #100 White Pink Foundation / Very light color skin tone. For ultra bright color expression & highlight
- #101 White Pink Foundation/ Light color skin tone. Use it alone for skin tone that requires brightness
- #200 Light Beige Foundation/ Medium-light skin tone
- #300 Beige Foundation / Medium skin tone
- #500 Dark Beige Foundation / Dark skin or for men. Good for bridge froom makeup

CONCEALER PENCIL

Courcelles concealer ranked No. 1 in a blind test, sponsored by a beauty channel, of 30 top concealer products among the professional makeup artists, and ranked No. 2 among the general public.

The concealer pencil loved by many make-up artists in Korea has neat sliding texture that absorbs smoothly in the skin and covers

dark spots and flows of your skin with light touch.

Application on the lip lines will add volume effectively.

Try the new skin tone this concealer creates with fine microscopic particles.

Coming in 3 colors: light beige, medium beige and dark beige Good to all skin types

Color (1.83Gr)

- #706 Light Beige /Light skin. Popular for bride makeup
- #707 Beige / Medium-dark skin tone
- #708 Dark Beige / Dark skin tone or men's general skin tone

MAKE UP BASE

Simple and sensitive make-up base, that makes you feel so refreshed and vibrant like a clean and shiny morning.

This transparent peach color makeup base will give extra brightness to your skin.

Arginine, a natural amino acid, stimulates collagen activity and controls PH level in your skin, helping to create healthy and

vibrant skin all day long, while the sugarcane extract and natural moisturizing ingredients protect your skin.

The peach pink color absorbs in the skin quickly and tones up the skin with extra brightness and hydration.

It is one of our popular items favored by many professional makeup artists.

Color (50ML, 100ML)

- Transparent Peach

MAKE UP BRUSH

Elasticity of the fiber_ The perfect length and cut of the hair favored by the makeup artist the most will retain its elasticity and diffuse finely-textured makeup all over the skin with a sliding effect.

Grex, thickness of the fiber_ Less than 0.10 pi fine synthetic hair created by Courcelle's knowhow Seamless brushing effect even with cream, gel or power type makeup

products.

Width of the opening_ The wide width of the brush can reduce the fatigue on artists' hand and help their completion of makeup more quickly.

Specifications_ Approximately 50 kinds' makeup brushes fitting for each makeup type.
