● Company Introduction

Our company produced herb tea, plum tea and wild strawberry tea for the first time in Korea, and also producing ginseng, redginseng extract, red ginseng tea, young ji mush room tea etc.. and it has the good reputation for the unique smell and taste.

Especially Herb has diverse scents and effects.

These days people suffer from instant foods and alcohols in their busy life.

So we developed many teas, which are good for memory, dementia, physical strength, physical and mental health and geriatric diseases.

Now we are in research on new products and we will do our best to promote your health.

Thank you.
