● Company Introduction

We started our business as a surface coating supplier in 1993 and continuously adopt an exclusive and innovative surface coating technology for better cookware. When it comes to non-stick coating cookwares, we are proud of having the best technology in Korea. Now we have grown to a key OEM/ODM supplier and provide our cookware to more than 35 countries around the globe.

● Items (품목 및 제품명 등 한줄로 간단한 소개)

Non-stick coating cookware(frying pan, wok, pot and etc.)

● Specification

제품 설명(특징 및 규격)

Jade-ceramic
coating
cookware

Jade-ceramic coating cookware is totally different to sticking ceramic coating cookware in the market. Its scratch-resistant surface added jade-powder passed 200,000 cycles' abrasion test and it shows upgraded long lasting non-stick performance.

Inoble
coating
cookware

Inoble coating cookware enables truly oil-free cooking and this amazing non-stick property guarantees easy cooking and cleaning is a breeze. Thanks to its patented coating based on strong combination-structure of numerous coating particles, it has innovative coating strength.

Marble
coating
cookware

Marble coating cookware has 4 layer's surface and it makes virtually oil-free cooking. Its coating is applied even on exterior for easy cleaning.
