● **Company Introduction**

Saeang Co., Ltd. is the traditional herb-oriented hair cosmetics company pursuing the healthy hair and scalp professionally.

Saeang representative herbal hair cosmetics brand “Saeangmeori” released the “Saeangmeori Oriental Herb Eoyumi” shampoo set which is authorized as a sanitary aid that is effective in preventing hair loss. “Eoyumi” shampoo sets are being sold in 25 retailers throughout the country.

The stable regimen of over 20 kinds of herbal extracts based on the oriental medicines prevents people suffering by the pollution and stress of the industrialized environment from the hair loss and damages of scalp. This is the most obvious differentiation and strengths of which we are confidently proud of giving you.

Saeang Co., Ltd. with the brand mission of customer satisfaction based on faith and trust, is the customer-oriented company communicating constantly with the customers and developing customer-friendly goods actively.
