Tube China 2018 - International Tube & Pipe Industry Trade Fair
Fastener Shanghai 2018 - Shanghai Fastener & Tech Show
Shanghai New International Expo Centre, Shanghai, China
26 - 29 September, 2018

Concurrently Held

Invitation to Press / Media

As one of the pivotal international wire, cable, tube and pipe industry trade platforms in Asia, the upcoming wire China and Tube China will once again be held in Shanghai, China this September, the upgraded Fastener Shanghai is co-located concurrently.

It's estimated that more than 1,600 established brands to gather at the four-day exhibition (September 26-29, 2018). In addition to local Chinese exhibitors, those from Germany, Italy, North America, Austria, France, South Korea, Japan and Taiwan Region will be highlighted during wire & Tube China 2018 at the International Pavilions, with the concept of 'global integration and development'.

New highlights this year:

- Upgraded outdoor exhibition space in Hall T1 and T2.
- The China International Tube Industry Development Seminar 2018 is extended to a two days seminar with support of ITA and CCPIT-MC.
- Two new concurrent seminars on fastener market and its application Industries bring more fresh global idea to on-site audience.
- First launch of 1-to-1 match-making service, connecting valued buyers with good brands directly.

In order to facilitate your work during the exhibition, we will provide press with the following services:

- Press Center (Booth No.: E1-A13). Provide a cozy working environment with WiFi access, snacks and beverage.
- Press Photo and Press Release is available in Press Center
- Exhibition souvenirs

We sincerely invite you to visit and report this key industry event. If you are interested, pls click to register. Looking forward to your participation!
